

# I'm Walking ...

*A fun game for babies and toddlers  
and young children*

I'm walking, I'm walking,  
I'm walking round the room

I wonder when I'll stop, I wonder when I'll stop...

Sing this last line as many times as you like then when you do stop,  
children have to freeze in a pose

## Teaching Notes:

This is a very versatile activity that can be used in many ways. You can set up hoops, bean bags or similar to create 'stations' that children go to when they do their pose.

A great song to use with animals, eg 'I'm flying, I'm flying' or 'I'm jumping, I'm jumping'. Have children suggest different animals that move in that way.

### Musical Skills:

Keeping/feeling the beat

### Other Skills:

Vocabulary

Spatial awareness of others close by

Body awareness

Moving in a variety of ways

### Extension:

Get creative with the ways of moving and animals that you suggest. Think of other ways to use the song, eg transport theme, sport, dance moves
