

Granny's in the Kitchen

Instrument/Action song

Granny's in the kitchen
Gonna help her make a chocolate cake
Granny's in the kitchen
Gonna help her make a chocolate cake
She's bashing around and making a sound
Granny's in the kitchen

Granny's in the kitchen
Gonna get there soon so I can lick the spoon
Granny's in the kitchen
Gonna get there soon so I can lick the spoon
She's bashing around and making a sound, Granny's in the kitchen

***Granny's in the kitchen. Granny's in the kitchen (x2)
She's bashing around and making a sound, Granny's in the kitchen. 4, 3, 2, 1!***

Gonna cook it in the oven and I know that I'll be loving that chocolate cake (x 2)
She's bashing around and making a sound, Granny's in the kitchen

***Granny's in the kitchen. Granny's in the kitchen (x2)
She's bashing around and making a sound, Granny's in the kitchen***

Teaching Notes: This is great with instruments. Encourage big circular movements through the verses (crossing the midline). You can hold your shakers and bells upside down to replicate a cake mixer or spoons. In the chorus play softly and pretend to put in ingredients into a bowl, one hand at a time. Upside down drums can substitute for a bowl.

Musical Skills

Beat - Playing in time to the music.

Dynamics - Responding to volume changes.

Other Skills

Language: Developing vocabulary.

Fine Motor Skills: Controlling the volume of instruments.

Extension Activities

Discuss ingredients that may be used in a chocolate cake and COOK ONE!
