

Play on Your Instruments

Instrument Song

Play on your instruments. Play on your instruments.
Play and play and STOP!
Play on your instruments. Play on your instruments.
Play and play and STOP!

Play it in the air. *Play up high*
Play it on the ground. *Play close to the ground*
Play it very straight.
Play your instruments across your body in a straight line
Let's all play it round and round now. (Repeat) *Play it in a circle*

Play on your instruments. Play on your instruments. Play and play and STOP!
Play on your instruments. Play on your instruments. Play and play and STOP!
Play and play and STOP! Play and play and STOP!

Teaching Notes: *Encourage playing on the beat with various instruments and stopping when the music says STOP!*

Musical Skills

Responding to stops and starts in music.

Beat – playing in time to the beat

Other Skills

Language – developing vocabulary

Listening skills – following instructions

Mathematics - developing directional language

Extension Activities

Discuss STOP and why we when we might need to use it in other situations. Play a freeze game where you get the children to move around until the teacher says STOP then you have to freeze. You can also do this with music.
